DASHBOARD - REGISTER PATIENT

FACEMATCH
Searching for a diagnosis

Dashboard

Project Information

Dashboard

The process is simple- take some lovely front of face pics (side of face, feet and hands optional), upload with your child's details, and then, if you have it, add the email address of your Doctor/Genetic Counsellor; so they can do the rest of the work! If you don't have your Doctor/Genetic Counsellor's email, please don't worry- we can help you out. Just leave the space blank and we can contact you to work through this next step. Don't forget to click on register to complete. This takes around 5-10 minutes.

Add Your Child

Enrol Child At A Later Stage

Once registered you will be taken to your dashboard.

Now click on "Add Your Child"

PARENT/GUARDIAN CONSENT

[Dashboard](#)[Project Information](#)

Add Patient

Parent / Guardian Consent

[Click to read information sheet prior to consenting below](#)

Required

- ☐ I consent to the participation in the facematch project and for my nominated doctor/genetic counsellor to upload photos of my child

Optional

- ☐ I consent to the FaceMatch team contacting me and my doctor to discuss possible future participation in ethically approved projects.
- ☐ I consent for the de-identified image of my son/daughter to be used in the development of a screening or diagnostic tool.

Read the consent information and if happy tick the relevant boxes

ADDING PATIENT'S PHOTOS

Patient Photographs

'Frontal face' photographs are required to enable our face matching technology.

Multiple images at different ages can be helpful in making a diagnosis.

You will be asked to provide an estimate of age at time of photo and type of image.

Images taken of historical album photographs can be uploaded.

To continue adding photographs click the 'Add Another Photo' button below.

The screenshot shows a form for adding patient photos. At the top, a pink box contains the instruction: "Click on [upload icon] to upload a photo". Below this is a pink header bar with three tabs: "Years", "Months", and "Focus". The "Years" tab is selected. Under the "Years" tab, there is a red circle around an upload icon. A large red oval highlights the "Required!" text below the input field. At the bottom, a pink button labeled "Add Another Photo" is circled in red. Blue arrows point from the green text on the right to the upload icon, the "Required!" text, and the "Add Another Photo" button.

Years	Months	Focus
